Let Me PROVE I Can Make YOU A NEW MAN!

ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby - only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

The Secret of How I Got My Build
Then I discovered a wonderful way to develop my body fast. It worked wonders for me - changed me from the scrawny "runt" I was at 17, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way - without weights, springs or pulleys. Only 15 minutes a day of pleasant practice - in the privacy of your room. My "Dynamic-Tension" method has already helped thousands of other fellows become real he-men in double-

quick time. Let it help YOU. Not next month or next year - but Right NOW!

"Dynamic-Tension" Builds Muscles FAST!

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach - the kind that makes other fellows green with envy.

Manage in the Majors with STRAT-O-MATIC BASEBALL

Play the original
computer-programmed baseball game
that puts you in the Manager's Seat
in every Big League ballpark in the country.

Ever wonder why the experts do so poorly when it comes time to pick the Pennant winners every spring? It's because ballgames are decided by more than the "paper skills" of the players. Strategy and "breaks" often put a ballgame in the won or lost column. And that's the way we designed STRAT-O-MATIC. So players' abilities count heavily—but so does strategy and Lady Luck. You probably couldn't win a Pennant with the longshot San Diego Padres—but your daredevil managing might move them up higher in the standings than the experts predicted.

Like on the diamond, STRAT-O-MATIC begins when you make up your lineup. You know southpaw fastballer Mickey Lolich will be on the mound for Detroit against your Baltimore Orioles. Do you bench ferocious portside Boog Powell and play the righty-lefty percentages by putting righty Earl Williams in your lineup? YOUR decision might mean the ballgame.

YOU CALL THE SHOTS

What do you do when the hitters begin to peck away at your tiring starting pitcher in the late innings? Maybe you should give him the hook with the heavy artillery on deck. But who do you bring in from the bullpen—the flame throwing rookie with the gaudy K record—or the wily vet who keeps the ball down and makes 'em hit it into the dirt? In

tell you whether you made the right decision. Would you dare cross up the Mets by having Hammerin' Hank Aaron lay down a bunt to spoil ace Tom Seaver's no-hitter? Or how about sending aging base thief Lou Brock to second with rifle-armed Johnny Bench behind the bat? Suicide? Did you ever think the Reds might get careless about holding Brock on because they're overconfident?

YOU REACT TO REAL GAME SITUATIONS

Exclusive STRAT-O-MATIC features for '74:

- Pitcher's stamina factor now computed into pitching records.
- Individual batter's performances computed against righty and lefty pitching.
- Each pitcher rated against both righty and lefty batters.

STRAT-O-MATIC, YOU'RE the manager. It's YOUR decision.

A good Big League Manager knows when to play his hunches—and when to play percentages. How about you? A roll of the dice will

You really have to manage in STRAT-O-MATIC—take charge. The bows for winning are all yours—and so are the raps for losing. Only STRAT-O-MATIC gives you this kind of on-field realism. It's not just a game of luck or statistics (although no other game comes close to computing ALL the vital facts into their game). STRAT-O-MATIC is the game that's been getting fans involved in every element of Major League Baseball for 10 years.

THE ONLY GAME FOR FANS

If you love baseball, nothing but STRAT-O-MATIC will do. It can be played in a basic version for younger players. Or the no-plays-barred way that puts you right in the dugout with Weaver, Durocher, Houk, Alston and Berra. STRAT-O-MATIC...there's nothing like it this side of homeplate.

DON'T THINK ANYONE SPOTTED ME! NOW, ALL I HAVE TO DO IS FIND A COMFORTABLE HIDING PLACE ON THE ROOF... BECAUSE I RECKON THIS IS GONNA BE A MIGHTY **LONG** RIDE!

AND A LONG RIDE IT IS! BUT THE KID'S DETERMINATION AND PERSEVERANCE PAY OFF, UNTIL, AFTER MANY ANXIOUS DAYS AND NIGHTS...

THERE IT IS-- **NEW YORK!** I MADE IT! I'LL BE SAFE AT LAST!

GOOD THING I WAS ABLE TO GET FOOD FROM THE DINING CAR AT NIGHT, OR I'D HAVE STARVED! THEY'LL NEVER GUESS WHO LEFT THAT MONEY FOR THEM IN THE **FOOD BIN!**

IF I CAN JUST REMAIN HERE FOR A FEW MONTHS, THE LAWMEN OUT WEST MIGHT THINK I BEEN KILLED, AND STOP SEARCHING FOR ME! THEN, I'LL RETURN TO TEXAS, PICK UP STEEL AGAIN, AND BEGIN A NEW, DECENT LIFE!

I NEVER SAW ANYTHING LIKE IT! NEVER KNEW BUILDINGS WERE SO TALL! AND THE STREETS--ALL PAVED! IT'S LIKE SOMETHIN' OUT OF A STORY BOOK! AND EVERYTHING IS SO PEACEFUL!

BUT ALAS, EVEN THOUGH PEACE IS THE ONE THING KID COLT IS EVER SEEKING, IT SEEMS AS THOUGH SOME MYSTERIOUS FATE HAS WILLED THAT HE IS NEVER TO FIND IT! FOR, IN THE NEXT MINUTE...

HELP!! SOMEBODY HELP ME!

LOOK OUT! A RUNAWAY HORSE!

FOOM

There's so much to tell I don't know where to begin! By now you must have heard about our great new Giant-Size 35¢ comics—our fantastic new 60¢ Super-Size series—our dynamite one-dollar Collectors' Treasury Editions—as well as the half-dozen sensational new black-and-white 75¢ers with which ol' Marvel is taking the world by storm! In the past few months we've brought superheroes to the peak of their popularity—made a world-wide cult of monster masterpieces—given fandom the greatest in sword-and-sorcery as well as magic, kung fu, and outsize science-fiction and supernatural chillers—and, believe it or not, we've only just begun! We've got whole brand-new series in the planning stages right now for older readers, for younger readers, even for readers who don't wanna read! As for our sensational TV and movie projects, I'll clue you in as soon as they're declassified top secret! But one thing remains to be done. Wouldja believe that FOOM has more than 25,000 members by now? There's never been such a block-busting fan club in the history of comicdom! We've gotta do something to celebrate—we want to do more than send you those fabulous FOOM mags every three months—but we're too busy writing and drawing the galaxy's greatest strips to give it enough thought! So how about helping your shy, modest Bullpen buddies? Let's start another mildly magnificent Marvel No-Contest, and award the usual priceless No-Prizes to everyone sending us a usable suggestion about what to do to make FOOM even better than it is. We know it's tough to improve upon perfection, but Marveldom Assembled won't let us down! Remember, FOOM is your club, so don't just stand there. Send your awesome inspirations and idiotic ideas to THE VOICE OF FOOM, c/o Marvel Comics, 575 Madison Ave., NYC NY 10022—and be grateful for the chance. After all, does The Pentagon ever ask you how to run the army? Also, be here without fail next ish because, if the Hulk doesn't lose his vitamin pills, I'll hit you with the most eagerly awaited announcement of the year—and that's on the level! Till then, fill your days with joy, your nights with peace, your life with love.

Excelsior!

Stan

ITEM! So you thought the biggest news to hit the comic-mag scene was our dramatic new line-up of 35¢ Giant-Size mags, eh? Well, close—but no cigar! 'Cause, starting now, we're adding still another species of monster-size masterworks to bedazzle you! Yep, we're talking about our sensational new 60¢ SUPER-GIANTS—a terrific trio of 100-page extravaganzas, each sporting a new, novel-length epic—more special features than you ever dreamed of—some of the mightiest Marvel classics ever—and each on sale four times a year! First and foremost of these is the SUPER-GIANT SPIDER-MAN, which is actually not simply a Spidey mag at all, but much more—in short, a bouncin' big brother to our regular-size MARVEL TEAM-UP hit! That's right—each issue of the SUPER-GIANT SPIDER-MAN will bring our wondrous wall-crawler face to face with still another of our ever-increasing array of stars. (Ish #1, in fact, spotlights the story you virtually dared us to print—as Spidey encounters the one and only COUNT DRACULA! How's that for openers?)

ITEM! What's more, the merry month of May will see the debut of the SUPER-GIANT AVENGERS, and in June we'll be bustin' out with a much-demanded SUPER-GIANT CONAN, a fit companion-mag to our smash 75¢-center, SAVAGE TALES. If you want more details on our SPIDIEY Super-Giant, just feast your eyes on our awesome ads, scattered thru our various issues—but whatever you do, wherever you go, don't miss out on this collectors'-item first issue, or you'll regret it for years to come! We have spoken—so there!

ITEM! Like we said above, we'll let our ads (and the mags themselves) do most of our talking for us, but this month also heralds the premieres of two more 35¢ thrillers you've been waiting for. First, there's the GIANT-SIZE CREATURES—and no, Irving, that doesn't mean that everyone in it is over ten feet tall. It's simply that each and every issue sports 52 big pages—and the star of CREATURES is a certain WEREWOLF BY NIGHT who's taken Marveldom and Monsterdom by storm. (And if our hairy anti-hero isn't enough for you, wait'll you meet Tigra, the Were-Woman, in that selfsame issue!) A couple of weeks later, there's the GIANT-SIZE SUPER-TEAMS #1, starring the dynamic DEFENDERS, no less, to place alongside the two 35¢ blockbusters which star Spidey and the fabulous F.F.I. Read 'em and enjoy, pilgrim—you've been waiting a long time for comic-mags like these—and so have we!

ITEM! Just for a breather from telling you about this month's new biggies, friends, howabout we give you a hurried hint about a brand new feature which begins in May, okay? It's called DEATHLOK, THE DEMOLISHER—with a story concocted and drawn by RICH (Swash) BUCKLER, and dynamite dialogue by Devil-May-Care DOUG MOENCH. We haven't got room to preview Deathlok's awesome appearance, but take it from us, he's gonna shock, startle, and stupefy—starting in ASTONISHING TALES #25! And that's a promise!

MARVEL MINI-ITEMS! Here's a personal tid-bit or two we thought might be of interest: First off, let's give a harried hello to Lethal LARRY HAMA, who takes over as artist of our new IRON FIST feature in the current ish of MARVEL PREMIERE. Larry's knowledgeable in karate, kung fu, and the martial arts in general—so look out, Shang-Chi, competition's on the way! • Speaking of kung fu, we've gotta tell you how pleased we are with Fearless PAUL GULACY, who's taken over our much-heralded MASTER OF KUNG FU title now that Judo JIM STARLIN's devoting his full time to his own rendition of CAPTAIN MARVEL Paul, like Valiant VAL MYERIK and Crafty CRAIG RUSSELL before him, is a former protégé of Dapper DAN ADKINS—who's become a regular Talent Scout out there in the wilds of Ohio! • Another too-brief tip of the hat to Dauntless DON PERLIN, whose work on WEREWOLF BY NIGHT (in both its 25¢ and 35¢ incarnations) is winning him a whole legion of fans. (Who knows? A few of 'em might even be human!) • Whew! Looks like it's Welcome-Aboard Month, as Debonair DAVE COCKRUM returns to the fold as embellisher of the AVENGERS. Dave's work on the Mighty Ones a few months back was wildly hailed by Marveldom Assembled—and this time it looks like he's back to stay! • Add the above names to the roster of new young talents who are swiftly growing to Marvel-ous maturity, a list which already includes Affable AL MILGROM, (Santa) KLAUS JANSON, plus the other new lights we've discovered—or, more truthfully, who've discovered us, since we're nothing without 'em—and you've got at least a part of the reason why the 1970's are gonna be the Marvel Age of Comics all over again!

A SPECIAL PULSATIN' P.S. FROM YOUR BLUSHIN' BULLPEN! Upi! We had so much inside info to toss at you this month that we've squeezed our invaluable Checklist right off the page! So look for it this month in— you guessed it — the letters section of most of our much-lauded mags! 'Nuff said!

Till next time — keep 'em flyin'.

"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by \$1800. Now, having completed the course, I'm in charge of the department and headed for the five figure bracket. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position with many opportunities."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have increased their earnings with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study — without interfering with your present work — and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma — a respected credential.
